

FUNDRAISING

We love supporting local non-profits.

Let's partner together to better our community.
Here are a few guidelines on how to host a fundraiser
at Hoskins BBQ.

HOSKINS BBQ FUNDRAISER APPLICATION GUIDELINES

- Hoskins BBQ holds fundraising events for non-profit organizations only. We will need your group's current tax ID number in order to schedule your event.
- For you to receive credit for a sale, a guest must turn in a copy of your group's flyer or show the cashier your online fundraiser barcode from his or her mobile device when making a purchase.
- You may not pass out or distribute flyers on Hoskins BBQ property.
- In order to receive your percentage of the proceeds from your group's eligible sales, your total fundraising proceeds must be \$25 or more.
- The percentage of sales you will receive is based on food, beverage, and bottled sauce sales. Gift cards or other merchandise purchases are not included in this total, nor is sales tax.
- We will donate 15% of the above mentioned sales to your group.

Here are some tips on promoting your fundraiser if it is approved:

- *Print and distribute the supplied flyer* to your friends, family, colleagues, etc.
- *Email the supplied flyer to your contacts*—we'll provide it in both JPEG and PDF formats, so you can either insert the JPEG as an image in the body of your email or can attach the PDF flyer, asking them to print and distribute.
- *Utilize social media!* We'll provide images for you to use online to get the word out. These images do not have specific information about your fundraising day, just the address of the restaurant, so be sure to include those details in the text of your post. Remember to always include the date of your fundraiser when communicating it out to your friends!
